### 1. 目标承诺 Goal commitment

作为ECI供应商，承诺将通过预防和持续的质量改进管理方法，保证向ECI提供之产品达到既定的质量目标。如不能按期完成质量目标，供应商同意按照与ECI签订之质量协议执行。但相关协议条款的执行不免除供应商达到此目标之义务。

As an ECI supplier, we commit to using preventive and ongoing quality improvements to ensure our products meet ECI's quality goals. If we fail to meet these goals on time, we agree to follow the steps in the ECI Quality Agreement. However, taking these steps does not mean we are excused – we still must work to meet the targets.
